HAMLETS

The monthly meeting of the Parish Council was held on Wednesday 21st June. Attended by: Cllrs. J Hobbs (Chair) S Tilbey, N Steer, C Myers, G Worden, J Phipps, K Boundy & S Rosser (Clerk). Apologies for absence were received from: Cllrs. K Jones, J Payne & R Savage. No members of the public were present.

Matters arising from the last meeting covered the mechanics of the new joint role of 'Planning Application Advisor' that will be carried out by Cllrs. Myers & Jones. The deadline for inclusion of agenda items was pointed out with the importance highlighted that discussion may not take place unless the item is on the agenda.

C.Cllr Tilbey gave a report of a few meetings that he had attended most recently. First being for Stratton Minor Injuries Unit, he reported a continuation of service and a focus for educating service users to use the 111 service in the first instance. Second meeting was of North Kernow Community Land Trust (NKCLT) this was to identify need for social housing. The meeting was well attended. C. Cllr. Tilbey had also attended the inaugural Bude & Camelford Community Area Partnership (CAP). This meeting was also attended by the Chair, Vice-Chair & Clerk. It was felt to be a generally positive meeting overall.

The usual monthly matters of parish maintenance were covered. An update had been received regarding the Tamara Project. There will be a launch week, Morwenstow will be the end destination for the last 12-mile leg from Upper Tamar Lake to Marsland Mouth on Saturday 15th July. A request was received from 'The Roaming Restaurant' to trade from the Community Centre Carpark on occasion. Look out for more details of that.

The community emergency plan is moving along nicely, driven by Cllrs. Phipps & Steer.

The Health & Wellbeing Project has hit a hurdle in the granting of planning permission. Sport England have objected to the application; the steering group is meeting to see how these objections can be overcome. The acoustic assessment had been positive and was due to be signed off that week. We are pleased to report the successful grant award for the 'Tommy Tractor' from the East Youlstone Wind Turbine Fund. Thank you to Denise May MBE for her action on that project.

Cllr Ken Boundy is stepping down from his long-term role with Morwenstow United Charities. Cllr Christine Myers is to replace him, as Parish Council representative.

Acknowledgment of receipt was returned for the Councils own planning application number: PA23/01922 - without comments to add, as it would be inappropriate to do so. A planning notice was also received for PA23/04221 - Construction of five detached dwellings – Land East of West Beckon Close Shop Morwenstow. This was deferred to the July meeting; with the approval of the Planning Officer, as there was not sufficient time to look at plans after receipt.

Please see the draft minutes in full on the website for further details of the meeting.

The next regular Parish Council meeting will be held on Wednesday 19th July 2023. All are welcome to the meetings.

Sheridon Rosser (Mrs), Clerk to the Parish Council.

Morwenstow Renewable Energy Association

MREA has the current award from Crimp Wind Power in its bank account.

The Objects of the Association are: -

(a) To provide financial assistance towards new projects based within the parish of Morwenstow for the benefit of the parish and parishioners; and

(b) To provide a source of funding towards emergency and contingency repair and maintenance of Morwenstow community assets for the benefit of the community.

We encourage interested and qualified organisations to apply for funds that fit with these objects. Please contact any of the trustees for an application form.

Applications forms are available via this link:

<https://www.morwenstowparishcouncil.co.uk/Contents/ContentItems/4p1xsqegprpds4bxbemra36da>

Completed applications should be forwarded to any of the trustees by July 31st for consideration by the trustees who are Dave Miles our volunteer community representative, Jonathan Hobbs Chairman of Morwenstow Parish Council and me, Alan Rowland. The Association was founded in 2011 and since then has held eleven annual grant rounds and awarded at least £2,400 each year.

The Association has another 14 years to run, so we invite anyone wishing to become a trustee to contact me or any of the other trustees expressing their interest.

St. Mark's C of E Academy

Y5/6 Residential to Bristol

Our Y5/6 pupils thoroughly enjoyed a 3-day residential to Bristol fulfilling aims of our LAPSW Trust Charter.

"We want to ensure that our children have access to high quality enrichment opportunities which not only raise barriers to success but also help our children to realise the possible. Without opening our children's eyes to what is out there in the wider world, they will not be able to know what they can achieve!"

They spent time exploring the city and participating in a range of different activities: visiting museums, travelling back in time on board SS Great Britain and enjoying a river cruise learning more about Bristol's fascinating history.

Morwenstow Women's Institute Meetings

10th May and 14th June 2023

At the May meeting local resident Mary Wibley spoke about her work helping settle refugees from Syria and Ukraine. She started with a quiz then went on to talk about the reasons people leave their homeland and the work done locally to help them. At the June meeting Stuart Rogers also started with a quiz and went on to talk about his family's adventures living in Nebraska.

The hostess for the May meeting was Hilary Rogers and the competition winner was won by Judith Ingram, who also won the Flower of the Month competition jointly with Val Tape. The hostesses for June were Sandra Rowland and Roberta Jones and the competition winner was Sandra Rowland. The Flower of the Month winners were Sandra Rowland and Val Tape.

At the start of the June meeting President Sandra Rowland thanked everyone for their hard work running the recent pre-loved sale, which proved to be an enjoyable and successful event. Next month's meeting is on the 12th of July when we will visit Homeleigh Garden Centre, Launceston. Members to meet at 11.00 at the institute.

Lesley Palfreyman
Press Secretary

Institute Affairs

The last two summers, the skittle players met once a month for a fun skittles evening. They wished to continue this year so the first Tuesday in June we met, a few were on holiday, but we had a very enjoyable evening, playing 2 games plus one round of single pins.

We meet again on July 4th, the first Tuesday in the month at 8.00pm. These evenings are open to anyone, so come along and have a go. Everyone is friendly and we all enjoy the banter.

Colin Tape

NATURE NOTES

The most recent New Moon was on the 18th June, the weather was still settled as it had been for some weeks. The previous two New Moon dates were similar which could suggest that the present run of good weather will continue for some time. Could it be that the seasons are becoming more predictable, but we are all aware that dry spells mean water shortages. We have become used to turning on the tap, not aware it is a natural resource and must be used responsibly.

I can remember when drinking water was dipped out of a well & carried back to the kitchen, or as with our family at West Milton a semi rotary hand pump over the covered well in an outhouse, but you had to remember to take a jug of water in case the pump needed priming.

During the last month a lot of birds have reared their offspring and the youngsters have taken to the wing, unfortunately it is their only flight when cats and plate glass windows are in their flight path. Even when they are growing into adulthood, they run the risk of being predated by larger birds to feed their offspring.

Nature has created a balance with the smaller birds who suffer most predation laying more eggs & rear more fledglings to ensure that some will survive the first year and become breeding adults.

For the wild birds that visit our gardens it is essential to provide a shallow dish of water for drinking & bathing, crumbs & mealworms will entice them to visit. But the downside to this is that the Shop house sparrows are partial to the tender young laves of beetroot, peas & lettuce

Ken Boundy

FAMILY NEWS

This month we regret to report the passing of:

Vera Gerry of Morwenna Road

and

Jamie Goodenough of Kilkhampton

We express our sympathy to their families.

"They will be remembered with affection and thanksgiving"
