HAMLETS

The monthly Parish Council meeting was held on Wednesday 21st July in the Community Centre. Present were Cllrs. J Hobbs (Chair), K Boundy, J Phipps, R Savage and S Tilbey, 5 members of the public and Mrs S Joyner (Clerk).

Cllr. Tilbey confirmed that Stratton Hospital would remain open for the current hours for longer than had been planned. This is to give time for the Bude/Holsworthy Cross Border Health Committee to gather data for discussion before the next meeting which will be held on 29th September 2021.

It was agreed that the toilets outside the Community Centre will be re-opened as soon as the cleaner has carried out a deep clean. The toilets at Duckpool will remain closed as the council has not been able to find a cleaner. The National Trust and Kilkhampton Parish Council have been advised.

5 co-option applications to fill the vacant seats on the Parish Council had been received and were discussed. It was resolved to accept all 5 of the candidates. Congratulations were extended to Greg Worden, Kevin Jones, Nigel Steer, Matthew Hodgson and Jaik Payne. The new Councillors will take up their seats at the September meeting. The Council are still looking for a new Clerk and an advertisement has been placed on the website and the noticeboard.

A quote to carry out repair works to some of the playpark equipment had been received and was accepted. Work will start shortly. Quotes are required for repairs to some of the fence posts at the playpark, details inside Hamlets. It was confirmed that a council bench that was missing from outside the Parish Church had been removed as it was unsafe. The Parish Council had been unaware of this and the provision of a replacement bench will be discussed at a future meeting.

There were 6 planning applications discussed: PA21/05639; Removal of three wooden garden sheds/outbuildings and replacement with one larger wooden garden shed/outbuilding, 2 Chapel Close Woodford:PA21/04807; Change of use of two holiday cottages to unrestricted residential use free from occupancy restrictions, Land West of Killarney Farm Morwenstow: PA21/06309; Erection of a detached double domestic garage, 2 Jacques Cottages Shop Morwenstow. The Parish Council were in support of these 3 applications. The following 3 applications were not supported: PA21/05495; Reserved Matters application for appearance, landscaping, layout and scale following approval of outline application PA19/05328 dated 16 10 19 (outline application for the erection of a dwelling), Westlands Shop Morwenstow: PA21/05612; Proposed dwelling (demolition of existing dwelling), Killarney Springs Morwenstow; PA21/06671; Erection of dwelling, Land North of 3 Jacques Cottages Shop Morwenstow.

The next meeting will be the monthly Parish Council meeting to be held on Wednesday 15th September at 7.30pm in the Community Centre, unless an interim planning meeting needs to be held. If this is the case the meeting will be held on the 4th August or the 1st September and the details will be published on the notice board and on the website.

Everyone is welcome to join us for our worship services, which will include singing, prayers and scripture reading, as well as a few other items. The services will be about 40 minutes in length, and coffee/tea will then be available whilst we share a time of conversation. If you prefer, you are of course welcome to bring your own drinks. Cornwall AONB Photo Competition

We're running our popular photo competition again this year in collaboration with Cornwall Life magazine. 'Celebrating Nature in Cornwall Area of Outstanding Natural Beauty' is this year's theme as we want to showcase the importance of the connection to nature that many of us have experienced in 2020 and are encouraging you to capture images, or submit images you have taken during 2020, which celebrate nature in the 12 Sections of the Cornwall AONB. The deadline for entries is midnight on Friday 17th September so get those phones and cameras clicking away with superb images. Bee Healthy Bee Happy

Cornwall AONB, Buglife, Active Cornwall and the University of Exeter have joined forces in a new exciting project, where community based conservation will safeguard Cornwall's incredible pollinators, and help reconnect people with nature. The project aims to enhance 40 hectares of public land for pollinators, while improving the mental health and wellbeing of our communities, particularly those communities who currently are unable to enjoy or appreciate Cornwall's world class natural environment. To do this we need your help, please complete the survey to help us design conservation activities that would benefit you and your local environment too. <https://letstalk.cornwall.gov.uk/aonb-bee-healthy-bee-happy>

Community Centre News

As I write, we are waiting for delivery of 'Morwenstow 2022', our calendars for next year. We were thrilled with the response to this year's photograph competition with over 150 entries - there are such amazing views in Morwenstow. Some you will recognise immediately; others may make you think. Thank you to all who entered and to everyone who voted.

This year's entrants included two children, sister and brother Lily and Alfie (aged 7 years and 10 years respectively) and we are delighted to include their entries. This year, the People's Choice is Louise O'Reilly's photograph of sheep near Stanbury - congratulations Louise!

Do look out for your copy in Furze Stores, contact us through the website (<http://www.morwenstowcommunitycentre.co.uk/>) or ask any committee member.
