---

The monthly Parish Council meeting was held on Wednesday 15th September in the Community Centre. Present were, Cllrs. J Hobbs (Chair), K Boundy, M Hodgson, J Payne, J Phipps, R Savage, N Steer and G Worden, 7 members of the public and Mrs S Joyner (Clerk). Apologies were accepted from Cllr. S Tilbey and Mr K Jones.

Cllr. Hobbs confirmed that the toilets outside the Community Centre had been re-opened after the cleaner had carried out a deep clean. The repairs to the slide and the tower in the playpark have been completed. No quotes were received for the work to carry out repairs to the playpark fence so this will be advertised again and put on the October agenda for discussion. Further details inside Hamlets. The external audit has been completed by PKF Littlejohn. There were no issues and a Notice of Completion of Audit has been granted.

In the Public Participation part of the meeting Mrs S Teare spoke about the system Cornwall Council operated regarding the issue of site notices for planning applications and that not all nearby residents would be aware of proposed plans. It was agreed this was a matter for the ward councillor to look into. Miss A Smeeth spoke about an active planning application and the need for local housing.

There had been several consultations that had been received for discussion and response. These will be discussed at the October meeting and responses formulated. The Parish Clerk/RFO vacancy has been re-advertised with interviews taking place at the end of September.

There were two pieces of correspondence received concerning traffic issues in the Parish. One was concerning speeding traffic along the road past the community centre, the other was concerning traffic movements of heavy lorries, road safety aspects and quarrying. All of these concerns have been referred to Cornwall Council.

There were 3 planning applications discussed: PA21/06884; Replacement conservatory, 2 Jacques Cottages, Shop. Comments submitted to C C: Morwenstow Parish Council does not object to this application. PA21/07058; Outline application with some matters reserved for a single dwelling, Stone Park, Woodford. Comments submitted to C C: Morwenstow Parish Council would like to support this application but is mindful of the legislation that is already in place covering this piece of land. PA21/07903; Conversion of existing block stable building to single storey ancillary accommodation with proposed link to existing dwelling and increase to residential curtilage, Middlefields, Woodford. Comments submitted to C C: Morwenstow Parish Council is of the opinion that this proposal bears no resemblance to the advice given to application PA20/02238/PREAPP. It is considered that the link is too large and that there is not enough use of traditional building materials. The council also feels that this proposed building would have a detrimental affect on the barn at the east elevation. Morwenstow Parish Council objects to this application.

The next meeting of the Parish Council will be on Wednesday 20th October at 7.30pm in the Community Centre

## FAMILY NEWS

Rod and Yvonne Lander of Gooseham want to say a very grateful thanks to all their kind neighbours and friends who have seen them through Covid-19 and other illness. We think the following people deserve a very heartfelt thank you.

Pam & Andy Bloor of East Gooseham for all their support and chat, Mike of Lower Court for taking the bins to the verge every Monday and bringing them back again.

Bruce and Wendy Wickett of Furze Stores for finding the impossible in shopping delicacies, we know of no two people that work harder.

David Savage who so often delivered our newspapers and kept us in touch with the outside world and often delivered groceries that I'd forgotten to order.

And to all the staff of Stratton Medical Centre for being so caring, e.g. the reception ladies and community nurses at the minor injuries hospital, Heroes All!

Many congratulations are sent to Holly Tindall and James Savage on the occasion of their wedding on the 25<sup>th</sup> September at St Morwenna & St John the Baptist Church Morwenstow. Holly is the daughter of Julia and Stephen Tindall of Bude and James is the eldest son of Jill and Richard Savage of Rectory Farm Morwenstow. There were photos, drinks and canapes at the Rectory Farm Tearooms before the main reception at Widemouth Manor, Bude.

## Community Centre News

The Community Centre is on the lookout for a new secretary as I will be stepping down at the next AGM.

I have loved my time (mostly!) but feel that now is the time to stand back and let someone else take the lead.

It could be one person, or more, and could be someone new to the committee – as I was when I started. I will happily support whoever takes the role on. It's a great team and a privilege to be part of it.

If you are interested please get in touch with me or any of the committee.

### Morwenstow Women's Institute Meeting

Wednesday 15th September 2021

On a lovely afternoon seven members and one guest set off for Merry Harriers Garden Centre. After such a long time staying local we thoroughly enjoyed our outing. A bit of retail therapy is always good for us as is afternoon tea and a good old catch-up. Then a stroll through the lovely gardens, where many of the residents of the Gnome Sanctuary have now made their new home. For those of us of a childish disposition a good laugh, the best therapy of all!
