14.19/02 Any Other Business the Chairman considers urgent

The Local Government (Access to Information) Act 1985 prohibits the consideration of any items which have not appeared on the agenda for the meeting unless the Chairman is prepared to certify that a proposed item is 'urgent'. An urgent item dictates that a decision must be made and, if this is the case, it must be as a result of a formal written report. If urgent, the special circumstances which make it so must be spelled out to the meeting.
